

**H.29. CHANDRANGADAN, A.R.—Keral Mem Hindi Sikshan
Ka Vikas Aur Malayalam Bhashi Chatrom Ki Samasyayem
—1986—Dr. N. Raman Nair**

The thesis is an inter-disciplinary study since the researcher is a Professor of Education. The thesis evaluates the major and minor problems related to the teaching of Hindi to Malayalam speaking students of Kerala. The solutions for the problems are also given. The speciality of the work is that the researcher has conducted several project works and concluded his findings.
